

This wine is 85% Grenache and 15% Syrah, all from grapes grown at Purísima Mountain Vineyard near the town of Los Olivos in the heart of the Santa Ynez Valley. The Beckmen family of Beckmen Winery owns the vineyard. This is our third vintage of this grenache, and it is made from the Tablas clone of Beaucastel origin.

Traditional fermentation, open top, manual punch down and aged for 10 ½ months in neutral French oak barrels. Only three barrels (72 cases) of this delicious grenache were produced. It is a racy, spicy wine, possessing deep cherry, ruby color and fresh berry and spice aromas. Sappy and full flavored, with soft tannins and fresh fruity flavors. Yummy stuff!
